# One in a million

Hello, friend! You are one of a kind! Draw a picture of yourself below. Put in the features that make you look like you: eyes, nose, mouth, hair and anything else that makes you special.

My name is _____.

I'm _____ years old.

The last movie I watched was _____.

I have _____ brothers and _____ sisters.

My best friend's name is _____.

My favorite food is _____.

Meet Gene

Hi! I'm here to help you understand a little bit about genetics. Did you know that genes are made of DNA and carry information that makes you be you? They determine traits such as the color of your hair, how tall you are and the color of your eyes.
What's the secret message?

This secret code uses a picture to represent each letter of the alphabet. In the box below, match each picture with its corresponding letter. Write the letter in the box to decode the answer to the question.
A B C D E F G H I

J K L M N O P Q R

S T U V W X Y Z
Q: Why did the computer go to the doctor?

A: ☐ ☐ ☐ ☐ ☐

☐ ☐ ☐ ☐ ☐ ☐

My care is special

Look for the words related to your healthcare in the box below and circle the ones you find.

CONDITION	DNA	DOCTOR	GENETIC
NURSE	NUTRITION	PHARMACIST	RARE
SCIENCE	TRAITS	TREATMENT	UNIQUE
